### **Terms and Conditions**

In acceptance of this grant-in-aid, I understand that:

1. This grant-in-aid is being awarded in accordance with The University of Alabama, Southeastern Conference and NCAA regulations, and is for a period of one academic year/term only as specified in status above.
2. This aid is being offered based on the condition that I fulfill the admission requirements of The University of Alabama, enroll as a full-time student at the University, and meet and maintain eligibility requirements for athletics participation and financial aid established by the NCAA, SEC, and The University of Alabama.
3. Financial aid (including scholarships, tuition waivers, Academic Common Market, etc.) received from any sources other than Student Financial Aid and persons upon whom I am naturally or legally dependent shall be reported by me to the Athletic Scholarship Counselor in Student Financial Aid.
4. Any part or all of this grant-in-aid may be reduced or canceled during the period of the award if I render myself ineligible for competition; fraudulently misrepresent information on an application, letter of intent or financial aid agreement; engage in serious misconduct warranting substantial disciplinary penalty (as determined by The University's regular student disciplinary authority); voluntarily withdraw from a sport; or violate athletic department rules and/or team rules.
5. This grant-in-aid shall be reduced or canceled if I sign a professional sports contract for this sport, accept money for playing in an athletics contest which exceeds the cost of a full grant, agree to be represented by an agent or receive other aid that causes me to exceed a full grant-in-aid and/or my individual limit.
6. Any reduction or cancellation of aid during the award term may only be taken for proper cause by the regular disciplinary or financial aid authority of the institution and if I have had the opportunity for a hearing. Equivalency values will remain constant if residency status changes during the period of award.
7. The University may not reduce or cancel my grant-in-aid during the period of its award on the basis of my athletic ability, performance or contribution to my team's success; because of injury that prevents me from participating in athletics or for any other athletic reasons.
