(First Academic Term of Aid)

The terms and conditions of the athletics grant-in-aid are as follows:

1. By signing and accepting this award, this student confirms that he or she has not signed a Grant-in-Aid Agreement with any other SEC university.
2. A Southeastern Conference Athletics Grant-In-Aid Agreement may not be signed by a student or parent(s) prior to the applicable National Letter of Intent (NLI) initial signing date for the sport indicated above.
3. If this agreement is issued prior to the NLI initial signing date, the date of issuance shall be the first date of the NLI signing period.
4. If the student or parent(s) fail to sign this agreement within 14 days of issuance, it will be invalid. In that event, another agreement may be issued.
5. Recruiting activity by all SEC universities not included in this agreement shall cease upon the agreement being signed by the student and the student's parent or legal guardian.
6. The total amount of financial aid received shall comply with the provisions of NCAA Bylaw 15.1. Acceptance of financial aid exceeding NCAA limitations may result in a student being ineligible for athletics competition.
7. NCAA Bylaw 15.3.4 shall govern reduction or cancellation of this grant-in-aid during the period of the award.
8. In accordance with NCAA Bylaw 15.3.5, an institution shall notify a student regarding the status of this grant-in-aid.
9. The receipt of this grant-in-aid is subject to the student fulfilling the applicable requirements for admissions, initial eligibility and financial aid for this institution, the Southeastern Conference and the NCAA. The student agrees to be bound by and to abide by determinations and by the requirements, rules, and procedures (now in force and as amended from time to time) of this institution, the Southeastern Conference, and the NCAA concerning his or her eligibility. The student further acknowledges, and agrees that this institution, the Southeastern Conference, and the NCAA may make different eligibility determinations and that the student must be deemed eligible by all three entities to compete in intercollegiate athletics.
10. By signing this agreement, the student acknowledges he or she understands SEC Bylaw 15.01.2, which prohibits another SEC member from awarding him or her an athletics grant-in-aid for two full academic years if, after signing this financial aid agreement, the student is eligible to receive an athletics grant-in-aid but chooses not to enroll in and attend the institution listed on this document for at least one full academic term.

Before this offer of an athletics grant-in-aid becomes final, the student must comply with all applicable institutional, Southeastern Conference, National Letter of Intent and NCAA requirements.
