Per NCAA definition (Bylaw 15.02.5), a full grant-in-aid consists of tuition & fees, room, board, and required course-related textbooks. The University of South Carolina awards grants-in-aid in the following order: books, tuition & fees, room & board.

The amount of aid a student-athlete may receive in addition to this grant-in-aid may not exceed NCAA, federal, or state limits. It is the student-athlete's responsibility to verify their eligibility to receive such aid, and it should be noted that additional funds may replace a portion of this athletics grant in order to comply with University, Southeastern Conference, and NCAA policy and/or legislation. Additionally, the amount of athletics aid received may be revised during the period of the award to reflect any change in residency status.

2. This Agreement is subject to your fulfillment of the admission requirements of this institution, the academic requirements for athletics competition and the receipt of financial aid under University, Southeastern Conference, and NCAA policy and/or legislation.

3. This Agreement is not automatically renewed. Eligibility for a renewal of this Agreement is subject to the University's renewal policies at the end of its term and the student-athlete's academic eligibility under University, Southeastern Conference, and NCAA policy and/or legislation.

4. This Agreement must be signed with all accompanying documents (i.e., National Letter of Intent, Southeastern Conference Grant-in-Aid Agreement). Director of Athletics (or designee) Director, Office of Student Financial Aid & Scholarships

By signing this offer of financial aid, I understand that:

1. I will become ineligible for intercollegiate athletics competition if I receive any financial assistance other than that authorized by the NCAA or exceed the financial aid limits stipulated under NCAA Bylaw 15 (Financial Aid).

2. I understand that this Agreement becomes null and void if I am under contract to or currently receiving compensation from a professional sports organization except as provided under NCAA Bylaw 12 (Amateurism) and NCAA Bylaw 15 (Financial Aid).

3. My grant-in-aid award may be immediately reduced or cancelled during the term of the award if I:

- Fraudulently misrepresent myself by giving false information on my application for admission, letter of intent, or financial aid agreement;
- Violate University, Athletics Department, or team rules and policies; this includes, but is not limited to, the *Athletics Department Rules* (see reverse side);
- Become ineligible for intercollegiate competition (e.g., failure to meet NCAA progress-toward-degree requirements);
- Sign a professional sports contract for my sport;
- Accept money for playing in an athletics contest;
- Agree, orally or in writing, to be represented by an agent and/or accept money or other benefits from such a person (or his/her representatives);
- Receive other forms of financial aid that cause me to exceed my individual aid limits as defined by the NCAA, federal, or state government;
- Fail to remain enrolled in a full-time course load at all times;
- Engage in serious misconduct; or
- Voluntarily withdraw from my sport.

Note: This applies to any situation that occurs as of the date that all parties have signed this agreement, even if that occurrence is prior to the start of the academic year.

4. This award has been made upon the basis of my declaring my intention to participate in a particular sport by signing a letter of intent, application, or financial aid agreement. Action on my part not to participate (either by not reporting for practice or after making only token appearances as determined by the institution) would constitute fraudulent misrepresentation of information on my application, letter of intent, or agreement and would permit the University to cancel or reduce my aid.

5. My Head Coach (or another Athletics Administrator) may impose additional stipulations (e.g., compliance with academic policies or standards) that must be met; failure to comply with such stipulations may result in cancellation and/or nonrenewal of my aid.
